☐ What to do

1. If there is a fire, get out fast and shout "FIRE!". Do not hide.
2. If someone is hurt and no grown-up is there, call 999 and say where you are.
3. If you hear a loud alarm on a phone, or a siren, go inside and find a grown-up.
4. If you get lost, stay where you are or go to a shop or police officer and say who you are.
5. Never touch strange objects, wires on the ground, or anything that looks broken or burnt.
6. Stay away from flood water, even if it looks shallow.
7. It is OK to feel scared. Tell a grown-up how you feel.
